

Warning

[Lyla Foy](#)

You and I
Began slowly
You thanked me
Like everything's easy
And the bed light held out You and I
Were divided
By a flight case
Or a floodlight
It's painless as it numbs us I tried to tell you
Again and again
As a warning
You never listened
And nothing and no one
Could keep back
My traveling arm You and I
When we were thirteen
Shared the same dreams
Like changing seasons
I tricked you with my sad eyes You and I
You and I
