

# Don't Leave Me This Way

[Starmarket](#)

All of my life, all of my life  
I've been searching for a love like ours  
Somewhere to stay, somewhere safe  
In your arms, I was so sure Are you really saying your heart's changing  
Do you really mean goodbye Don't leave me this way, no, no  
Don't tell me it's over  
We've only begun and our love is so young  
You're leading me nowhere  
Don't leave me this way  
Don't leave me this way Say what's on your mind, one thing at a time  
And I promise you we'll talk it through  
Don't walk away, there's so much more to say  
Though my words seem lost on you Can't believe you're talking like we're just friends  
Can't you see the tears I cry? Don't leave me this way, no, no  
Don't tell me it's over  
We've only begun and our love is so young  
You're leading me nowhere  
Don't leave me this way  
Don't leave me this way Are you really saying your heart's changing  
Do you really mean it this time, baby Don't leave me this way, oh no  
Don't tell me it's over  
We've only begun and our love is so young  
You're leading me nowhere Don't leave me this way  
No, don't tell me that it's over  
We've only begun and our love is so young  
Don't leave me now Don't leave me, don't leave me this way  
Don't leave me, don't leave me this way  
Don't leave me, don't leave me this way  
Don't leave me, don't leave me this way Don't leave me this way  
If you'll just take a little bit of time  
You just might wanna change your mind  
Don't leave me, no, no, no, no  
Don't leave me this way
