

# Lucid Dreaming

Univz

Breaking down the order  
World doesn't have a borders  
Out of body travel  
Time not to unravel  
Lucid dreaming is my astral  
Energy from the outside  
Pleasure not to hide  
Pleasure not to hide Not enough space  
Not enough space  
Not enough space in the wakefulness  
Wander in the phase  
Infinity maze  
Not enough space in the wakefulness Walking through the walls  
Fantasy is full of squalls  
Mind no longer blind  
Fear left behind  
Lucid dreaming is my astral  
Energy from the outside  
Pleasure not to hide  
Pleasure not to hide Not enough space  
Not enough space  
Not enough space in the wakefulness  
Wander in the phase  
Infinity maze  
Not enough space in the wakefulness
