

# More Today Than Yesterday

Zsa Zsa Padilla

I don't remember what day it was  
I didn't notice what time it was  
All I know is that I fell in love with you  
And if all my dreams come true  
I'll be spending time with you  
Every day's a new day in love with you  
With each day comes a new way of loving you  
Every time I kiss your lips my mind starts to wonder  
And if all my dreams come true  
I'll be spending time with you  
Oh I love you more today than yesterday  
But not as much as tomorrow  
Oh I love you more today than yesterday  
But darling not as much as tomorrow

Tommorrow makes each springtime just a day away  
Cupid we don't need you now be on your way  
I thank the lord for love like ours that grows ever stronger  
And I always will be true  
I'll be spending time with you  
Oh I love you more today than yesterday  
But not as much as tomorrow  
Oh I love you more today than yesterday  
But darling not as much as tomorrow  
Every day's a new day, every time I love ya  
Every time's a new way, every time I love ya...  
Very day's a new day, every time I love ya  
Every time's a new way, every time I love ya...  
Every time I love ya...
