Time Goes By

The Mavericks

When I was just a young man
And I thought the world would wait on me
I was mistaken but now I'm changin'
Time goes by, by and by
There were good times, there were bad times
And sometimes I just can't recall
Through it all your eyes I've fall
Time goes by, time goes by
You know things happen for a reason
But that's quite alright with me
Right or wrong it doesn't matter why
'Cause stars gets crossed, sometimes dreams get lost
Time goes by, by and by
You know things happen for a reason
Well, and it's really quite alright with me, yeah
Right or wrong it doesn't matter why
'Cause stars gets crossed, sometimes dreams get lost
Time goes by, by and by
'Cause stars gets crossed, sometimes dreams get lost
Time goes by
