

Blind Man

Black Stone Cherry

Disappointing change in seasons

Cold has come again

Streets are flooded with excuses

Stories never endPeople walk in their disillusion

Wading through despair

We must come to stand as one

And take the cross they bearSo we will try not to cry when we're walkin' in their shoes

Have you heard the news?Hey, have you seen the blind man in disguise lookin' for his eyes?

Hey, have you seen the rain man lookin' to the sky beggin' for sunlight?

The darkest times ain't always at nightA man will hold a sign and preach

This world will not stand

We are all among the scared

So will you hold my hand?So we will try not to cry when we're walkin' in their shoes

Have you heard the news?Hey, have you seen the blind man in disguise lookin' for his eyes?

Hey, have you seen the rain man lookin' to the sky beggin' for sunlight?

The darkest times ain't always at nightSo we will try not to cry when we're walkin' in their shoes

Have you heard the news?Hey, have you seen the blind man in disguise lookin' for his eyes?

Hey, have you seen the rain man lookin' to the sky beggin' for sunlight?

The darkest times ain't always at night
