

# Nuttin About It (Feat. Future)

## Young Scooter

They can't do nuttin about it  
Yea  
They can't do nuttin about it()  
I write my check up, they can't do nuttin about it  
We in them foreign coupes, they can't do nuttin about it  
We got them bad bitches, they can't do nuttin about it  
They can't do nuttin about it  
They can't do nuttin about it, They can't do nuttin about it  
They can't do nuttin about it, They can't do nuttin about it  
I got my plug yes yes, they can't do nuttin about it  
A hustler in the flesh, they can't do nuttin about it  
()  
I gave a hunnit last night and I forgot all about it  
Woke up the next morning like I threw all the profit  
Finesse Dre out five bricks and he ain't do nuttin about it  
I like to dress my dope up, to these bricks I'm a star  
I keep my diamonds on shine cus these fuck niggas watchin  
Tap down in the town, Bentley coupe I'm drivin  
Dope price is up and down and you can't do nuttin about it  
Car shot like John Gotti, I get shit poppin  
Every move a nigga make I know my young niggas watchin  
20 cars hit yo block and you can't do nothing about it  
I'm a international dope boy pluggin with the fucks boy  
Always flexin and you can't do nuttin about it, fuck boy  
()  
I write my check up, they can't do nuttin about it  
We in them foreign coupes, they can't do nuttin about it  
We got them bad bitches, they can't do nuttin about it  
They can't do nuttin about it  
They can't do nuttin about it, They can't do nuttin about it  
They can't do nuttin about it, They can't do nuttin about it  
I got my plug yes yes, they can't do nuttin about it  
A hustler in the flesh, they can't do nuttin about it()  
They said I'm straight on survival  
They straight finesse that louder  
That Lamborghini I'm ridin  
I catch yo bitch and I'm divin  
She in a bush and she hidin  
I fucked that bitch in the closet

Man we ain't tellin nobody  
We put that shit on a spiral  
Can't wave the magic on my list so we can fuck off some bands  
She fell in love with that molly, whippin up in a Cayenne  
Most of my whips are exotic, I'm a free man travel bands  
You heard that bitch, I heard that bitch  
Niggas on cus all my shine  
Yea, I'm a international superstar and I get low like a movie star  
Then I know plugs like Escobar  
Poppin through all that work  
Hope that you won't get merked  
Been a astronaut since my birth  
My chain hang on my shirt  
My money always on first()  
I write my check up, they can't do nuttin about it  
We in them foreign coupes, they can't do nuttin about it  
We got them bad bitches, they can't do nuttin about it  
They can't do nuttin about it  
They can't do nuttin about it, They can't do nuttin about it  
They can't do nuttin about it, They can't do nuttin about it  
I got my plug yes yes, they can't do nuttin about it  
A hustler in the flesh, they can't do nuttin about it()  
I said excuse me darling, you can't do nuttin about it  
Tryna fuck that brick around and still make me some profit  
I'm the last plug left, I'm the only option  
Too much jail, money louder, dirty dollars  
Young Scooter, I write my check up  
Bad bitch with me, all she do is roll up  
It's that drug music, make you do the count up  
Let me go, they can't say shit bout us()  
I write my check up, they can't do nuttin about it  
We in them foreign coupes, they can't do nuttin about it  
We got them bad bitches, they can't do nuttin about it  
They can't do nuttin about it  
They can't do nuttin about it, They can't do nuttin about it  
They can't do nuttin about it, They can't do nuttin about it  
I got my plug yes yes, they can't do nuttin about it  
A hustler in the flesh, they can't do nuttin about it
