Paradoxx

Malaise

[Spoken]
Yo! Feel the flow - Que pasa? Paradoxx!
Gente adelante - You know it never stops.
[Rap]
The lyrics have flown - yo - now it's time to rock
get high to the rhythm - we never stop
Insane in the brain - to another dimension.
Put your hands in the air - hey, close attention.
Back on the mic - yo - check the flow
jump to the rhythm - jump - drop the tempo
drop the groove - now, drop the cuts.
Rewind the tape to select Paradoxx.
