

# Paradoxx

## Malaise

[Spoken]

Yo! Feel the flow - Que pasa? Paradoxx!  
Gente adelante - You know it never stops.

[Rap]

The lyrics have flown - yo - now it's time to rock  
get high to the rhythm - we never stop  
Insane in the brain - to another dimension.  
Put your hands in the air - hey, close attention.  
Back on the mic - yo - check the flow  
jump to the rhythm - jump - drop the tempo  
drop the groove - now, drop the cuts.  
Rewind the tape to select Paradoxx.
