

# Call Me What You Like (Zoomorphic Re Record)

Keane

There's no believing and no reason why  
Well I'm superstitious and I can fly I float through the ceiling  
And into (the sky/your eyes)  
Call me what you like  
I just want to be there with you all the time  
Do you want to be here with me?  
All the time There's no believing and no real surprise  
Well I am a ghost here, appearing in the night To float through the ceiling  
And into your eyes  
Call me what you like  
I just want to be there with you all the time  
Do you want to be here with me?  
All the time (Whoa) I float through the ceiling  
And into your eyes  
Call me what you like  
I just want to be there with you all the time  
Do you want to be here with me?
