Listen to Your Heart (Swedish Single Edit)

Roxette

I know there's something in the wake of your smile. I get a notion from the look in your eyes, yea. You've built a love but that love falls apart. Your little piece of heaven turns too dark. Listen to your heart when he's calling for you. Listen to your heart there's nothing else you can do. I don't know where you're going and I don't know why, But listen to your heart before you tell him goodbye. Sometimes you wonder if this fight is worthwhile. The precious moments are all lost in the tide, yea. They're swept away and nothing is what is seems, The feeling of belonging to your dreams. Listen to your heart when he's calling for you. Listen to your heart there's nothing else you can do. I don't know where you're going and I don't know why, But listen to your heart before you tell him goodbye. And there are voices that want to be heard. So much to mention but you can't find the words. The sense of magic, the beauty that's been When love was wilder than the wind. Listen to your heart when he's calling for you. Listen to your heart there's nothing else you can do. I don't know where you're going and I don't know why, But listen to your heart before Listen to your heart when he's calling for you. Listen to your heart take a listen there's nothing else you can do. I don't know where you're going and I don't know why, But listen to your heart before you tell him goodbye. Listen to your heart

Listen to your heart take a listen to it Listen to your heart take a listen to it, listen to your heart

Yeah listen to your heart

Listen to your heart
Listen to your heart
Listen to your heart
Listen to your heart
Listen to your heart
Listen to your heart
Listen to your heart
Listen to your heart

Listen to your heart
