Dust Devil

School of Seven Bells

I know
I know
You don't have to be cruel
But time has a heart for cruelty
And I'm not a fool
I know
It's what you do
I know more than you think I do

I know
I know
I don't have to be cruel
Though I have a heart for cruelty
But you've made me choose
I know better than you do
I know why you do what you do
I know how to do what you do
Better than you

I see you
I see you
Dismantled as the dust
Caught up by the wind
Forgotten as the dust
Caught up by the wind
Dismantled as the dust
Caught up by the wind
Forgotten as the dust
Caught up by the wind
