

Llegaste Tarde (Radio Gozadera AM Mix)

Los Amigos Invisibles

When seeing your body causes to me slowly
To caress it, to caress it until being annoying to me
That smile and your waist disturb to me
And that call to the conscience tortures to me
But your never you wanted to me being single
Now you come and I inform to you that this time you arrived late
But my sky that history I know it
You are beautiful and you have everything, but love you arrived late
For a long time that you trim the distance
Between your mouth and your cheek no longer there is so much
I create since your affection is another thing
With my pocket your you are becoming crazy
But your never you wanted to me being single
Now you come and I inform to you that this time you arrived late
But my sky that history I know it
You are beautiful and I am stupid, but love you arrived late
You arrived late
You arrived late, my love
You arrived late, You arrived late
When seeing your body causes to me slowly
To caress it, to caress it until dribbling to me
That smile and your waist disturb to me
And that call to the conscience tortures to me
But your never you wanted to me being single
Now you come and I inform to you that this time you arrived late
But my sky that history I know it
You are beautiful and you have everything, but love you arrived late
You arrived late
You arrived late, my love
You arrived late, You arrived late
You wasted your time already you do not look for to me but
But your never you wanted to me being single
Now you come and I inform to you that this time you arrived late
But my sky that history I know it
You are beautiful and I am stupid, but love you arrived late
