

# Ko Ko Blue

## ZZ Top

One, two, whatcha gonna do?  
Can you come and see me tonight?  
Black, white, feel alright  
If you could in broad daylightIf I could get to see her  
You know I'd try to please her  
Oh my, Ko KoDon't try to ask me why  
She set my soul on fire  
Oh my, Ko Ko Blue  
Oh my, Ko Ko BlueYou're hot, the cold, I'm rollin' low  
Jukin' down to twelve midnight  
On ice cream, you know what I mean  
I think I got flavor you'll likeIf I could get to see her  
You know I'd try to please her  
Oh my, Ko KoDon't try to ask me why  
She set my soul on fire  
Oh my, Ko Ko Blue  
So oh, my Ko Ko BlueHillbilly Willy, he's quite a guy  
From eatin' some of Ko Ko's pie  
She's nice if you ask her twice  
Ask him and he'll testifyIf I could get to see her  
You know I'd try to please her  
Oh my, Ko KoDon't try to ask me why  
She set my soul on fire  
Oh my, Ko Ko Blue  
Oh my, Ko Ko Blue
