

# Fire We Make

## Alicia Keys

Yeah  
It's crazy  
It's crazy  
Come on, come on yeah  
I wanna tell you really  
Oh yeah, all I know yeah  
Hey  
I wanna know yeah  
[Alicia:]Hey baby how you doing tonight  
I wanna let you know  
I wanna tell you just how I feel  
I wanna love you baby  
And it's going so right  
I wanna burn a candle  
Turn the darkness to the light  
With the fire we make  
It's getting hotter and hotter  
Like a moth to a flame  
I can't stay away  
From the fire we make  
It's getting higher and higher  
Like the night to the day  
I can't stay away  
No no no... {yeah}... noooooooooo  
{Oh yeah}  
No No... {yeah}... stay away  
[Maxwell:]Hi baby, won't you tell me the truth  
You wanna be the one  
You can't stay away  
  
Oh, hey darling  
Don't you make no excuse  
We can chase the sun  
And burn the hole inside you  
With the fire we make  
It's getting hotter and hotter  
Like a moth to a flame  
I can't stay away  
From the fire we make

It's getting higher and higher  
Like the night to the day  
I can't stay, I can't stay away  
[Alicia and Maxwell:] This abyss of the world and it takes us to the stars  
It's getting higher and higher  
It's the fire we make, (it's the fire we make)  
Getting sweeter and sweeter  
Like a night to a day  
(About to make up this flames)  
I can't stay away, say is, no no (yeah)  
No no no, No no no, Can't stay away (baby Can't stay)  
No no no (No you can't)  
No no no (Baby baby baby)  
No no no, Yaahhhh  
I wanna tell you, I wanna love you  
I just wanna stay with you  
I can't be done  
I just can't stay away  
I wanna make some much fire with you baby  
I wanna go, gonna go to you darling, ah  
I say yeah yeah
