The City of Blinding Riots

Filter

A rage lets out of the city tonight
A rage that's been creeping
Seeking tonight
And all of the world
Will watch your city burn
All of the world
Will watch your city burnBurn this fucker...
Burn mother fucker burn...Brotherly love they watch you from above
A long life of lies they
Really wished you'd die
But all of the world
Has watched your city burn
All of the world
Has watched your city burn
Burn this fucker...
Burn mother fucker burn...
