

Seville (Version)

[Pinback](#)

They're gonna kill us all Oh Sheena kneels and prays over the graves
and wishes of her god to be so brave
the roses she had picked fall from her hand.
Onto the ground which will soon hold her Sheena Bella
Sheena Bella Oh Sheena Bella walks
and Sheena Bella strays
Oh, fetal Sheena counts off her last days
The colors of the grass
The shadows on the floor
The precious things that she had no time for. She was only 4 years old.
She was barely 4 years old. Sheena Bella
Sheena Bella
Sheena Bella
Sheena Bella They're gonna kill us all They're gonna kill us all
