

In My Name

The 69 Eyes

Through these eyes I've seen so much of pain
And through these eyes I've seen blood stain the rain
Written in the prophecy is my name
If you wanna follow me, it's not all game(In my name)
Shall I come back again
(In my name)
Shall I come back in the endIn these times of wars and fame
And in these times love goes down the drain
Written in the prophecy is the name
Somebody comes for you and me, it's not all game(In my name)
Shall you cast out, devils
(In my name)
Shall you take up, serpents(In my name)
Shall you speak with new tongues
(In my name)
Shall you be forgivenIn this world
In this ol' world
In this world
The road is my name(In my name)
Shall you cast out, devils
(In my name)
Shall you take up, serpents(In my name)
Shall you speak with new tongues
(In my name)
Shall you be forgiven
In my name
