Towards the Shrouded Infinity

Demigod

Grip of dark eternity
Dwell in infinite misery
Through darkening I came
With agony I now reignThee, the suffering soul
Deceased dwell below
Thee, shall be despised
As I'll by thy lord
Thee, the perished
In the shadows beneath
Veiled are the dying souls from realityTowards the shrouded infinityThe dawn of gods
Shall bring the truth
For the lifeless
In the shadows beneath
Thee, the suffering soul
Deceased dwell below
Thee, shall be despised
As I'll by thy lord
Thee, the perished
In the shadows beneath
Veiled are the dying souls from realityDeification of blackened skies
Towards the shrouded infinityLifeless are their minds
In the embrace of death
In infinity awakened souls
Shall remain forlorn
The journey through eternities
Mists and blackened skies
I became the one
Beyond all mortal purity
Thee, the suffering soul
deceased dwell below
Thee, shall be despised
As I'll by thy lord
Thee, the perished
In the shadows beneath
Veiled are the dying souls from realityLie in infinity
