

# Gratefully Blue

Eric Bibb

longin' for your touch in some nowere town  
thinkin' an' drinkin' way too much  
'cos you're not around  
with all of my heart, when we're apart  
I'm gratefullu bluetryin' to catch some sleep  
in a room without a view  
pillows an' blankets in a heap  
baby, wishin' it was you  
with all of my heart, when we're apart  
I'm gratefully blue  
grateful, 'cos I know  
you're missin' me like I miss you  
grateful, 'cos I know  
your love for me is true  
grateful, for so much more  
than I hoped a love could be -  
blue because -  
baby, you're not here with me  
longin' for your smile  
drivin' to the next little town  
as I search the FM dial  
lookin' for our kind of sound  
with all of my heart, when we're apart -  
longin' for you -  
baby, I'm so gratefully blue
