Reach

Twisted Method

Where is my place in life?
Why can't I get it right?
Tell me what I'm going through.
Where are we going to turn to?
You feel alone I feel abused.
Tell me what are we supposed to do, suffer?Reach out your hands to me
I understand you because I feel the same
It won't go away
This pain will never go awayI see it in your eyes.
You cannot hide your faces.
You're going through it too.
Where are we going to turn to?
You feel alone I feel abused.
Tell me what are we supposed to do, suffer?[Chorus]It's building up inside I know I've had enough
One, two, three blow it up!You feel alone I feel abused.
We share the same pain.
I know there's one thing we can do
And that's fight together and get away[Chorus]
