

The Sound Of A Million Dreams

David Nail

Seeger was singin' words I could believe in
And Mainstreet was my street that night
So I called up Samantha
And asked her the chance of us runnin' out neath the moon light
Well shes not with me now, she can always be found
When I rewind the radio dial
And like it was then I feel her on my skin
And I'm back there for a while So I labor for hours 'cause I know the power of a song
When a song hits you right
Poured my soul into stories of life
Hopin' someone will hear one tonight Maybe my voice will cut through the noise
And stir up an old memory
And out of these piano keys
Comes the sound
The sound of a million dreams My 18th summer I was a cocky up and come'er
Crankin' up "Born To Run"
Turn left out the drive with the pistons open wide
And I came back a prodigal son My spirit was broken, she threw the door open
I love you not I told you so
When I hear mama tried I still break down and cry
And pull to the side of the road And I labor for hours 'cause I know the power of a song
When a song hits you right
Poured my soul into stories of life
Hopin' someone will hear one tonight Maybe my voice will cut through the noise
And stir up an old memory
And out of these piano keys
Comes the sound
The sound of a million dreams So I labor for hours 'cause I know the power of a song
When a song hits you right
Poured my soul into stories of life
Hopin' someone will hear one tonight Maybe my voice will cut through the noise
And stir up an old memory
And out of these piano keys
Comes the sound
The sound of a million dreams The sound of a million dreams
