Ghost

Lewis Watson

oooooo
oooooo-ooo-ooo
oooooWatch my bones turn to dust,
In a winter.
All my riches will rust,
Like a summer, lost.Thought I knew how to fly,
but I'm falling.
Dreamt it up, you and I,
'till the morning.But just like a ghost,
I float by un-noticed,
By the one I love most,
The one I held closest.
Well I am a ghost.
Just haunting myself...ooooooo
oooooo-ooo-ooo
ooooooI'll write it down to myself,
In a letter,
Maybe then that would help,
Me feel better.Just like a ghost,
I float by un-noticed
By the one I loved most,
the one I held closest,
Well I am a ghost,
Just haunting myself.ooooooo
oooooo-ooo-ooo
oooooooJust haunting myself.
