

Notorious

The Saturdays

Don't hold back
It's nice to see somebody make an effort
You know I like it in the street lights
Like, like, like the spotlight
Do you like me?

I la-la-love this track
So if you wanna come with me you should know
I'm like, I'm like, I'm like this beat, yes
Crazy and infectious
I'm a give my business
Boy my resume says "I'm a bad girl"

[Chorus]

Closer baby look in my eyes
Do you recognize me?
I've been a bad girl
I'm a bad girl, I'm notorious

I'm a outlaw
I'm the big boss
I'm a ganster
On the dancefloor

I'm a outlaw
I'm the big boss
I'm a ganster
On the dancefloor

[Verse 2]

Boy beware
I got a record and I'm known for my style
And everybody knows my name here
I'm the head of game here
Pleasure and the pain, yeah
Because my resume says "I'm a bad girl"

[Chorus]

Closer baby look in my eyes
Do you recognize me?
I've been a bad girl
I'm a bad girl, I'm notorious

I'm a outlaw
I'm the big boss
I'm a ganster
On the dancefloor

I'm a outlaw
I'm the big boss
I'm a ganster
On the dancefloor

[Bridge]

Baby tell me can you get it from my energy
I've been a bad girl
I'm a bad girl, I'm notorious

I'm a outlaw
I'm the big boss
I'm a ganster
On the dancefloor

[Chorus]

Closer baby look in my eyes
Do you recognize me?
I've been a bad girl
I'm a bad girl, I'm notorious

I'm a outlaw
I'm the big boss
I'm a ganster
On the dancefloor

I'm a outlaw
I'm the big boss
I'm a ganster
On the dancefloor
