Proven

Pressure 4-5

Days are fading into history
Moving forward, looking back
Unsure if I'm finding anything
Worth the time it takes to feel itRevenge, hate or solitude
It means a lot to you
And it's so much I can't bear it
And so what I'm trying to prove
Is that things like this do scare meTime collapsing, what the future holds
So uncertain, what's the point?
Live in fear and trap yourself inside
Walls so high you can't get outTrapped inside yourself again
Means a lot to you
And it's so much I can't bear it
And so what I'm trying to prove
Is that things like this do scare meFace your fear and
Find a place where
Nothing can phase you
Except the truthIt means a lot to you
And it's so much I can't bear it
And so what I'm trying to prove
And I mean it seems like things
Like this do scare meIt means a lot to you
What I'm trying to prove
