

Proven

Pressure 4-5

Days are fading into history
Moving forward, looking back
Unsure if I'm finding anything
Worth the time it takes to feel it
Revenge, hate or solitude
It means a lot to you
And it's so much I can't bear it
And so what I'm trying to prove
Is that things like this do scare me
Time collapsing, what the future holds
So uncertain, what's the point?
Live in fear and trap yourself inside
Walls so high you can't get out
Trapped inside yourself again
Means a lot to you
And it's so much I can't bear it
And so what I'm trying to prove
Is that things like this do scare me
Face your fear and
Find a place where
Nothing can phase you
Except the truth
It means a lot to you
And it's so much I can't bear it
And so what I'm trying to prove
And I mean it seems like things
Like this do scare me
It means a lot to you
What I'm trying to prove
