Peaches

In the Valley Below

I've been working on my knees baby it's alright
Everybody got disease maybe it's alright
You can steal from me baby that's just fine
You can say its free baby that's alrightWorking on a feeling
Breaking down the ceiling
Digging up a deep end
Freezing on the beaches
Reaching for the sweetest, sweetest peachesWe won't live too long
So let's love for one song
The lion won't lay down
When the holy man's in townYou've been drinking all week baby that's alright
You've been stepping on me baby it's alright
You've been tearing me apart in the dead of night
I'll be raising my hands when the lighting strikesChorus x2Working on a feeling
Breaking down the ceiling
Digging up a deep end
Freezing on the beaches
Reaching for the sweetest, sweetest peaches
