

# Peaches

## In the Valley Below

I've been working on my knees baby it's alright  
Everybody got disease maybe it's alright  
You can steal from me baby that's just fine  
You can say its free baby that's alright  
Working on a feeling  
Breaking down the ceiling  
Digging up a deep end  
Freezing on the beaches  
Reaching for the sweetest, sweetest peaches  
We won't live too long  
So let's love for one song  
The lion won't lay down  
When the holy man's in town  
You've been drinking all week baby that's alright  
You've been stepping on me baby it's alright  
You've been tearing me apart in the dead of night  
I'll be raising my hands when the lighting strikes  
Chorus x2  
Working on a feeling  
Breaking down the ceiling  
Digging up a deep end  
Freezing on the beaches  
Reaching for the sweetest, sweetest peaches
