

# Mark On The Bus

## Beastie Boys

Good morning  
Time to get up and go to work I ride on the bus into the city every day  
I sit on my seat and I dream myself away  
I dream I'm on an island with that foxy lady too  
But when I awaken, I must be mistaken, I'm on Third Avenue  
Won't you take me away and take away me  
Won't you take me away and take away me, yeah
