Why Makes Perfect Sense

Wade Bowen

Nineteen days straight
I'm lonely as hell and there's nothing I can do
The emptiness comes over me as I sit here thinking about you
I tear my boots off and set them on the floor next to my bed
Try to fall asleep but ill just end up laying there instead

Oh why do you wait for my lonely?
Why do I miss you only?
Why do we hold out for just one kiss?
Baby why makes perfect sense

Well its been twenty days
I bet you woke up bright and early right on time
Well I know its hard to start your day when the only thing to hold its a telephone line
Yeah tomorrow will be the same and everyday until im done
Well I'll make sure to make it home to you girl just as fast as I can run

Oh why do you wait for my lonely?
Why do I miss you only?
Why do we hold out for just one kiss?
Baby why makes perfect sense

Oh I walk into the door and you're standing there
Girl you don't have to say it I already know
Oh why, you wait for my lonely
Why, I miss you only
Why, we hold out for just one kiss

Yeah baby why, you wait for my lonely
Why, I miss you only
Why, we hold out for just one kiss
Yeah cause why makes perfect sense
Yeah baby why makes perfect sense
