

Spiral

Soulfly

Extreme...
Fighting to control me
Sanctified
Your soul will be denied
Arise
Beyond the black sky
Straighthate
Shave them headsI, I spiral of the mind
Mega-therion
Spiral in the sky
I, I spiral of the mind
Magnetic vortex
Spiral in the sky...Resist...
Temptations of the Beast
Infest
Scorge of the Psalmist
Inflikt
Sorrow and misery
Death threat
Tormented realityI, I spiral of the mind
Control aesthetic
Spiral in the sky
I, I spiral of the mind
Circle the tangent
Spiral in the sky(Spiral-Spiral) This si hypnotic
This is hypnotic deathVermin
Vulgar system creeps
Void
Terminate within
Leper
Blood of the congregation
Point Blank
Declare it a new ageI, I spiral of the mind
Demonized Inside
Spiral in the skyI, I spiral of the sky
Weaponize
Spiral in the sky(Spiral-Spiral) This is psychotic
This is psychotic deathI, I spiral of the mind
Out of control

Spiral in the sky
I, I spiral of the mind
Out of the dark
Spiral in the sky...
