

So Happy I Could Die

Lady Gaga

Eh-eh, eh-eh, yeha, yeha
Eh-eh, eh-eh, aha, aha
Eh-eh, eh-eh, yeha, yeha
Eh-eh, eh-eh, aha, aha I love that lavender blonde
The way she moves, the way she walks
I touch myself, can't get enough
And in the silence of the night
Through all the tears and all the lies
I touch myself, and it's alright Just give in, don't give up, baby
Open up your heart and your mind to me
Just know when that glass is empty
That the world is gonna bend, yeah Happy in the club with a bottle of red wine
Stars in our eyes 'cause we're having a good time
Eh-eh, eh-eh, so happy I could die
Be your best friend, yeah, I'll love you forever
Up in the clouds, we'll be higher than ever
Eh-eh, eh-eh, so happy I could die, and it's alright Eh-eh, eh-eh, yeha, yeha
Eh-eh, eh-eh, aha, aha
Eh-eh, eh-eh, yeha, yeha
Eh-eh, eh-eh, aha, aha I am as vain as I allow
I do my hair, I gloss my eyes
I touch myself all through the night
And when something falls out of place
I take my time, I put it back
I touch myself 'til I'm on track Just give in, don't give up, baby
Open up your heart and your mind to me
Just know when that glass is empty
That the world is gonna bend, yeah Happy in the club with a bottle of red wine
Stars in our eyes 'cause we're having a good time
Eh-eh, eh-eh, so happy I could die
Be your best friend, yeah, I'll love you forever
Up in the clouds, we'll be higher than ever
Eh-eh, eh-eh, so happy I could die and it's alright So happy I could die, and it's alright
So happy I could die, and it's alright Eh-eh, eh-eh, yeha, yeha
Eh-eh, eh-eh, aha, aha
Eh-eh, eh-eh, yeha, yeha
Eh-eh, eh-eh, aha, aha Happy in the club with a bottle of red wine
Stars in our eyes 'cause we're having a good time
Eh-eh, eh-eh, so happy I could die

Be your best friend, yeah, I'll love you forever
Up in the clouds, we'll be higher than ever
Eh-eh, eh-eh, so happy I could die, and it's alright Happy in the club with a bottle of red wine
Stars in our eyes 'cause we're having a good time
Eh-eh, eh-eh, so happy I could die
Be your best friend, yeah, I'll love you forever
Up in the clouds, we'll be higher than ever
Eh-eh, eh-eh, so happy I could die, and it's alright
