

# Isobel

**Björk**

In a forest pitch-dark  
Glowed the tiniest spark  
It burst into flame  
Like me, like me My name Isobel, married to myself  
My love Isobel, living by herself In a heart full of dust  
Lives a creature called lust  
It surprises and scares  
Like me, like me My name Isobel, married to myself  
My love Isobel, living by herself When she does it she means to  
Moth delivers her message  
Unexplained on your collar  
Crawling in silence, a simple excuse Nana na nana, nana na nana In a tower of steel  
Nature forges a deal  
To raise wonderful hell  
Like me, like me My name Isobel, married to myself  
My love Isobel, living by herself When she does it she means to  
Moth delivers her message  
Unexplained on your collar  
Crawling in silence, a simple excuse Nana na nana, nana na nana  
Nana na nana, nana na nana
