Amsterdam

Mann

I'm sorry, mother... I'm sorry, I let you down
Well, these days I'm fine - No these days I tend to lie
I'll take the West train, just by the side of Amsterdam
Just by my left brain, just by the side of the Tin man
I'm sorry, brother... I'm sorry, I let cha down
Well, these days you're fine - No these days you tend to lie
You'll take the West train, just by the side of Amsterdam
Just by your left brain, just by the side of the Tin man
Your time will come if you wait for it, if you wait for it
It's hard, believe me... I've tried
But I keep coming up short
I'm sorry, lover... I'm sorry; I bring you down
Well, these days I try and these days I tend to lie
Kinda thought it was a mystery and then I thought I
wasn?t meant to be

You set yourself fantastically
Congratulations you are all alone
Your time will come if you wait for it, if you wait for it
It's hard, believe me... I've tried
Your time will come if you wait for it, if you wait for it
It's hard, believe me... I've tried
But the rain won't fall for the both of us
The sun won't shine on the both of us
Believe me when I say, that I wouldn't have it any other way
Your time will come if you wait for it, if you wait for it
It's hard, believe me... I've tried
But I won't wait much longer 'cause these walls they're crashing down
And I won't wait much longer 'cause these walls they're crashing down
And I keep coming up short
