

# Communist Eyes (Live At the Whisky 1979)

## Germes

I'm looking through  
Communist eyes  
I'm seeing planes in bloodshot skies  
I see the flag of a working people  
Who conceal the lies in the stars  
and sickle  
It's a double edgeCommunist eyes-c'mon inside  
I can't ever find the way out  
Communist eyes-lost inside  
I never get a day outI'm looking through Communist eyes  
All I see is an old man's alibi  
There's a world outside  
but I'm unaware  
I open my books but the pages stare  
It's a double edgeCommunist eyes-all so blind  
I can't even play the game now
