M-m-m, mmm mmm mmm
M-m-m, mmm mmm mmm
Let me think about it
M-m-m, mmm mmm mmm
Let me think about it
M-m-m, mmm mmm mmmYou saying baby, "I'll take you for a ride"
Let's get together, work it all night
I'll be your lover, your sexy little thing
I'll make you feel like heaven is nearLet me think about it
M-m-m, mmm mmm mmm
Let me think about it
M-m-m, mmm mmm mmm, rrrak!Come on girl believe me I'll make you see
That I am the true way to ecstasy
Touch me, feel me, then you will find
That we are meant to be and I aint lyingLet me think about it
M-m-m, mmm mmm mmm

Let me think about it, rrrak!You say you want me, you say you need me
You say you love me, I can't believe it, oh!Let me think about it
