I'm Tired

Ricky Skaggs

Standing on the corner of a busy street
Looking for your face in every crowd I meet
Searching every honky tonk in this town
Trying to find the places where you hang around
Oh Lord, I'm tired, tired of living this old wayWell, I've been searching for you baby night and day
Wondering if your love will ever come my way
My time is running out and I'm slowing down
Tired of being just another hang around
Oh Lord, I'm tired, tired of living this old wayThere ain't no happiness in anything I do
I find myself so lonely when I'm not with you
What makes you just the kind of gal a guy could love
You've got so many others that you're thinking of
Oh Lord, I'm tired, tired of living this old way
Oh Lord, I'm tired, tired of living this old way
