

Moodys Mood For Love

Amy Winehouse

There I go, there I go, there I go, there I go
Pretty baby you are the soul, snaps my control
Such a funny thing but every time your near me
I never can behave
You give me a smile and I'm wrapped up in your magic
There's music all around me
Crazy music, music that keeps calling me so
Very close to you, turns me into your slave
Come on and do with me any little thing that you want to
Anything, baby just let me get next to you So am I insane or do I really see heaven in your eyes?
Bright as stars that shine up above you
In the clear blue sky, how I worry 'bout you
Just can't live my life without you
Baby come here, don't have no fear
Oh, is there wonder why
I'm really feeling in the mood for love So tell me why, stop to think about this weather, my dear
This little dream might fade away
There I go talking out of my head again baby won't you
Come and put our two hearts together
That would make me strong and brave
Oh, when we are one, I'm not afraid, I'm not afraid
Now if there's a cloud up above us
Go on and let it rain
I'm sure our love together would endure a hurricane
Oh my baby won't you please let me love you
And get a release from this awful misery What is all this talk about loving me, my sweet
I am not afraid, not anymore, not like before
Don't you understand me, now baby please
Pull yourself together, do it soon
My soul's on fire, come on and take
I'll be what you make me, my darling Oh baby, you make me feel so good
Let me take you by the hand
Come let us visit out there
In that new promised land Maybe there we can find
A good place to use a lovin' state of mind
I'm so tired of being without it
And never known what love's about
James Moody would you come on hit me,

You can blow now if you want to, I'm through
