

# Kill the King

## Heathen

Danger, danger  
The Queen's about to kill  
A stranger, stranger  
Life's about to spill Oh no, move away from harm  
I need a spell, a charm  
Fly like the wind  
And the pawn will be gone  
Speed on and on Kill the king  
Tear him down  
Kill the king, yeah  
Strike him down Power, power  
Happens every day  
Power, devour  
All along the way Oh no, move away from harm  
I need a spell, a charm  
Fly like the wind  
And the pawn will be gone  
Speed on and on Kill the king Treason, treason  
The spectra looms again  
Treason, reason  
The realm is safe and then Oh no, move away from harm  
I need a spell, a charm  
Fly like the rainbow  
And the pawn will be gone  
Speed on and on Kill the king  
Strike him down  
Kill the king, yeah  
Got to take his crown, yeah Oh, kill  
Oh, kill  
Oh, oh
