Brick House

Commodores

She's a brick house, she's mighty mighty
And just lettin' it all hang out and she's a brick house
And like lady's stacked and that's the fact
Ain't holding nothing back, she's a brick house
We're here together everybody knows
This is how the story goesShe knows she's got everything
That a woman needs to get a man
How can she lose with the sex she use
36-24-36, what a winning handShe's a brick house, she's mighty mighty
And she's lettin' it all hang out and she's a brick house
And like lady's stacked and that's the fact
Ain't holding nothing back she's a brick house
Yeah she's the one, the only one built like an AmazonThe clothes she wears, her sexy ways
Make a old man wish for younger days
She knows she's built and knows how to please
Sure enough to knock a strong man to his knees'Cause she's a brick house yeah she's mighty mighty
Just lettin' it all hang out a brick house
And like lady's stacked and that's the fact
Ain't holding nothing backBrick house yeah she's mighty mighty
And just lettin' it all hang out
Brick house yeah she's the one the only one
Built like a Amazon yeahShake it down, shake it down, shake it down
Oh well brick house
