Trampled Rose Intro

Nili Reyy

[Intro: Nili Reyy] Spoken Word

BACKGROUND SINGING - Yeaaaaaa

You know I've never been the best at spoken word but..
I've tried to educate the minds to let em' know why we should stay motivated until we die and...
Many times you look at me like I'm a freak show and that I've done lost my mind //
With such a heart that's Devine you've walked and trampled on this very rose of mine //

BACKGROUND SINGING - Yeaaaaaa

Where the connection to music brings life and where life can unfold //
this whole album here is my struggle but I swear it's the best story ever told //
And I don't mean that in a cocky way to say that I'm better than her.. better than him.. //
I say this cause I'm the only person who understands the crap that I've had to deal with within //

BACKGROUND SINGING - OhhhhhOhhhhOhhhhoohhh...

But it's not different for you either...
I can't say that I know your struggle or know the pain that you hide //
I can only hope that you relate with my music every time that you vibe //
BACKGROUND SINGING - You Were Trampled on the Ground...
We fight everyday to live but.. aint' we living to die //

BACKGROUND SINGING - You Were Trampled on the Ground...

We fight everyday for acceptance but our very existence is fried! //
And we fight for recognition but.. ughh out of site out of mind.. right? //
Just like a rose when it grows in its season of growth
It gets trampled on by the very people who didn't understand it the most and.. //

BACKGROUND SINGING - You Were Trampled on the Ground...

That's why I'm here... to remind you to Stay Motivated....
