

# Still

## Frankie J

I got a call late last night  
From a number I didn't know  
It was so strange, I knew who it was  
From the moment she said hello And I paused for a minute  
I couldn't believe it  
I kept my cool so my girl just wouldn't see  
She said, "I'm sorry  
But there's something you should know"  
(This is what she said to me) "I can't let you go  
No, I can't let you go"  
(She said)  
"I'm havin' such a hard time" (Then I heard)  
"I can't let you go  
I just can't let you go"  
(And then she said)  
"I think I'm losin' my mind 'Cause I still love you  
This I must confess  
I guess I still need you  
I feel I have to tell you this again Yes, I still want you  
Oh these words I did not plan  
So if I've interrupted anything  
I promise I won't call you again" So I told her my heart felt  
The same that it did before  
It's never changed  
My feelings never went away, girl  
My heart never closed the door Then I stopped for a minute  
Gotta think about my lady  
And what we have goin' on  
She's about to have my baby  
Girl, you waited much too long I gotta let you go  
I'm hangin' up the phone  
This conversation can't go on no more  
I gotta let you go  
'Cause if I don't let you go  
I fear that I might let you know 'Cause I still love you  
This I must confess  
I guess I still need you  
I feel I have to tell you this again Yes, I still want you  
Oh, these words I did not plan

So if I've interrupted anything  
I promise I won't call you againNow I'm doin' just fine with my girl  
Not about to let her go  
Just because you find me once again  
It doesn't mean you're comin' back homeNow it's been about 2 years or so  
Since we went our separate ways  
You gotta face the fact  
We're over with and done 'cause I'Cause I still love you  
This I must confess  
I guess I still need you  
I feel I have to tell you this againYes, I still want you  
Oh, these words I did not plan  
So if I've interrupted anything  
I promise I won't call you again'Cause I still love you  
I guess I still need you  
Yes, I still want you  
So if I've interrupted anything  
I promise I won't call you againI promise I won't call you ever again
