 Immina imminaI'm ice cream
 And you're sorbet
 They got guns but it points the wrong way
 Yeah I'm on it they Cirque De Soleil
 They make big sounds with nothing to saySchool of fakeness
 I'm school of hard knocks
 You're here to fool us
 I'm here to take shots
 Look-alike, copycat
 Doppelg nger, fraud
 They ain't got nothing on me
 Now I'm getting boredIf you're gonna be me you need a manifesto
 If you ain't got one you better get one presto
 Yeah you got money we sell bootlegs only
 When the shit counts our numbers way plenty
 We started at the bottom but Drake gets all the credit
 Paper route or life route yeah we be readyImmina immina
 Immina immina
 Immina imminaImmina immina
 Immina immina
 Immina immina
