

Eternal Sunshine

Oslo Gospel Choir

Eternal sunshine , eternal sunshine
He's gonna take me to that land
Where the sun don't ever go down

Eternal sunshine , eternal sunshine
He has promised me eternal sunshine

Eternal sunshine , eternal sunshine
He's gonna take me to that land
Where the sun don't ever go down

Eternal sunshine , eternal sunshine
He has promised me eternal sunshine

We live in a weird world
With darkness all around
But give your heart to Jesus
And you will find the light

He was sent from His Father in Heaven
To die upon the cross
And bring His sweet salvation
As a gift to all of us

Eternal sunshine , eternal sunshine
He's gonna take me to that land
Where the sun don't ever go down

Eternal sunshine , eternal sunshine
He has promised me eternal sunshine

Do you think I'm a dreamer
Or just a silly one
That believe the light of Jesus
Is shining in my soul

He was sent from His Father in Heaven
To die upon the cross for me
He brought me sweet salvation

I will live eternally

Eternal sunshine , eternal sunshine
He's gonna take me to that land
Where the sun don't ever go down

Eternal sunshine , eternal sunshine
He has promised me eternal sunshine

Sunshine , eternal sunshine
There will be sunshine
Sunshine , eternal sunshine
So much sunshine

There will be freedom
Freedom , There will be freedom
There will be freedom
Freedom , There will be freedom

No more crying
No more crying
No more crying
No more crying

Sunshine
Sunshine , eternal sunshine
Sunshine
Sunshine , eternal sunshine
He has promised me eternal sunshine

Eternal sunshine , eternal sunshine
He's gonna take me to that land
Where the sun don't ever go down

Eternal sunshine , eternal sunshine
He has promised me eternal sunshine

He has promised me eternal sunshine
He has promised me eternal sunshine
He has promised me eternal sunshine
