

# Lovely Day

**Bill Withers**

When I wake up in the morning, love  
And the sunlight hurts my eyes  
And something without warning, love  
Bears heavy on my mind Then I look at you  
And the world's alright with me  
Just one look at you  
And I know it's gonna be  
A lovely day  
A lovely day When the day that lies ahead of me  
Seems impossible to face  
When someone else instead of me  
Always seems to know the way Then I look at you  
And the world's alright with me  
Just one look at you  
And I know it's gonna be  
A lovely day  
A lovely day When the day that lies ahead of me  
Seems impossible to face  
When someone else instead of me  
Always seems to know the way Then I look at you  
And the world's alright with me  
Just one look at you  
And I know it's gonna be  
A lovely day  
A lovely day
