

Have I the Right (Re-Recorded)

The Honeycombs

Have I the right to hold you
You know I've always told you
That we must never ever part, oh oh oh oh Have I the right to kiss you
You know I'll always miss you
I've loved you from the very start Come right back I just can't bear it
I've got this love and I long to share it
Come right back I'll show my love is strong Have I the right to touch you
If I could you'd see how much you
Send those shivers running down my spine, oh oh Have I the right to thrill you
You know I'll wait until you
Give me the right to make you mine Well, Come right back I just can't bear it
I've got this love and I long to share it
Come right back I'll show my love is strong, oh yeah
All right Have I the right to hold you
You know I've always told you
That we must never ever part, no, no, no, no, no, no. Have I the right to kiss you
You know I'll always miss you
I've loved you from the very start Come right back I just can't bear it
I've got this love and I long to share it
Come right back I'll show my love is strong, oh yeah, yeah Come right back I just can't bear it
I've got this love and I long to share it
Come right back right back where you belong, oh yeah
You belong, oh yeah, you belong
