Lover

Lords of Acid

Fill me up, don't stop
Just a little deeper, baby
Give it to me stong
Do I seem a little too fast for you?
Do you think I'm too rough for you?
Lover I will come for you
Lover Any time you want me to
Lover I'll be there for you
Lover, Lover, Lover
Oh yeah...
Give me some, let's get it on
Just a little harder baby,
Gotta come on strong
If you want, I'll set you free
Gotta give me big time sexuality
Lover I will come for you
Lover Any time you want me to
Lover I'll be there for you
Lover, Lover, Lover
Oh yeah...
Be relieved, sex machine
Come and take my body
and cover me with cream
If you're good, I'll make it up for you
If you're bad, I'll come all over you
Lover I will come for you
Lover Any time you want me to
Lover I'll be there for you
Lover, Lover, Lover
Oh yeah...
