

Twisted Transistor

Twisted Transistor

Hey you, hey you
Devil's little sister
Listening to your
Twisted transistor Hold it between your legs
Turn it up, turn it up
The wind is coming through
Can't get enough A lonely life
Where no one understands you
But don't give up
Because the music do Music do, music do
Music do, music do
Music do, music do Because the music do
And then it's reaching
Inside you
Forever preaching "Fuck you too!"
Your scream's a whisper
Hang on you
Twisted transistor Hey you, hey you
Finally you get it
The world ain't fair
Eat you if you let it And as your tears fall on
Your breasts, your dress
Vibrations coming through
You're in a mess A lonely life
Where no one understands you
But don't give up
Because the music do Music do, music do
Music do, music do
Music do, music do Because the music do
And then it's reaching
Inside you
Forever preaching "Fuck you too!"
Your scream's a whisper
Hang on you
Twisted transistor Music do, music do
Music do, music do
Music do, music do
Music do, music do Hey you, hey you
This won't hurt a bit

This won't hurt a bit, this won't hurt
Says who, says who
Anesthetize this bitch
Anesthetize this bitch, anesthetize
Just let me be
Between you and me, don't fit
Music do
And then it's reaching
Inside you
Forever preaching "Fuck you too!"
Your scream's a whisper
Hang on you
Twisted transistor
