

Something Beautiful (feat. Lenny Kravitz)

Trombone Shorty

Can you show me something beautiful?
Beautiful, show me something beautifulâ€”
Can you show me something beautiful?
â€”Beautiful, show me something beautifulCan you show me something beautiful?
â€”Beautiful, show me something beautiful
Can you show me something beautiful?â€”
Beautiful, show me something beautifulDo you feel temperatures rising?
â€”Do you see flashes of lighting?â€”
So brightly
â€”Do you know whoâ€”
Who would love to love you?
â€”I doâ€”
Can you let your worried mind move?And baby can you show me something beautiful?â€”
Beautiful, show me something beautifulâ€”
Show me something beautiful
â€”Beautiful, show me something beautiful
â€”Baby, can you show me something beautiful?
â€”(Show me something beautiful)
(Show me something beautiful)
Show me something beautifulâ€”
Beautiful, show me something beautifulI said do you see the colors changing?â€”
Can you feel them rearranging?
â€”Amazing
â€”Do you know whoâ€”Who would love to love you?â€”
I doâ€”
Can you feel the things that I do?And baby can you show me something beautiful?â€”
Beautiful, show me something beautifulâ€”
I Said show me something beautifulâ€”
Beautiful, show me something beautiful
â€”Baby, can you show me something beautiful?â€”
(Show me something beautiful)
(Show me something beautiful)
Baby can you show me something beautifulâ€”
Beautiful, show me something beautifulWhen the push comes to shoveâ€”
When the world is hiding loveâ€”
And is faded and cold
â€”When the world has grown dullBaby can you show me something beautiful?â€”
Beautiful, show me something beautiful
â€”baby can you show me something beautiful

â€¢Beautiful, show me something beautiful
â€¢Baby, can you show me something beautiful?
 â€¢(Show me something beautiful)
 (Show me something beautiful)
 Show me something beautiful
â€¢Beautiful, show me something beautifulCan you show me something beautiful?
 â€¢Beautiful, show me something beautifulâ€¢
 Can you show me something beautiful?
 Beautiful, show me something beautiful
 Baby can you show me something beautiful?
 â€¢I said beautiful show me something beautifulâ€¢
 Show me something beautifulâ€¢
 Beautiful, show me something beautiful?
 Beautiful, show me something beautiful?
 Beautiful, show me something beautiful?
 Show me something beautifulâ€¢
 Show me something beautiful
