

# Perfect World

## Gossip

Oh oh and I  
And I put a wish in  
Made it my mission  
To end the conflict  
But oh  
I put a wish in  
Hoping you'd listen  
By my accomplice  
But ohhh  
Relax, it's only dreaming facts  
Giving way to feelings  
No one ever stays long  
it's over when you wake up  
So I knew that it was  
in the Picture perfect world  
We can be more than before  
I said it was  
I made it stronger  
From the beginning  
My head was spinning  
The perfect star  
Oh a church  
A place to fit in  
A new religion  
I found your heart  
But oh oh  
Relax, it's only dreaming facts  
Giving way to feelings  
no one ever stays long  
it's over when you wake up  
So I knew that it was  
in the Picture perfect world  
we can be more than before  
I said it was  
I made it stronger  
In an Picture perfect world  
in the Picture perfect world  
we can be more than before  
I said it was

I made it stronger  
Dont get mad  
You did your best  
and now its  
all in the past to stay  
so I knew that it was  
in the Picture perfect world  
we can be more than before  
I said it was  
I made it stronger  
in the Picture perfect world  
we can be more than before  
I said it was  
I made it stronger
